PROFILE

Customer-focused professional seeking remote BPO roles (UK/EU accounts). Strong communication, problem-solving, and documentation skills from prior sales and event coordination roles. Fully remote-ready with redundant power, fibre, and LTE failover. Available across UK/EU/US time zones.

CORE SKILLS

- Customer service and issue resolution
- Clear written and verbal communication (English C2)
- Ticketing systems and CRM (osTicket, Jira)
- Remote collaboration tools (Zoom, Slack, Microsoft Teams)
- Conflict resolution and de-escalation
- Time management and self-discipline
- Data entry and documentation
- Working across UK/EU time zones

PROFESSIONAL EXPERIENCE

Conference Assistant (Part-Time) | The Travel Link

Aug 2019 – Jun 2020

- Coordinated logistics for individuals and events under pressure
- Resolved issues in real time while maintaining clear communication
- Managed multiple concurrent requirements (travel, dietary, seating)
- Distributed information and documentation to stakeholders

Sales Representative | DN Agencies

Jan 2019 – Jul 2019

- Contacted prospective and current customers to increase sales
- Determined customer requirements and proposed solutions
- Managed documentation from quotation through payment reconciliation
- Maintained a structured contact schedule with consistent follow-up

SELF-DIRECTED PROJECTS

Self-taught web builder: designed and deployed a client-facing service site ([Voltguard Electrical](#)) and a billing/invoicing prototype ([LexPilot](#)). Portfolio: caldeny4201.github.io

REMOTE READINESS

- Redundant power: inverter + LTE failover (load-shedding ready)
- Fibre internet, quiet home office
- Available across UK/EU/US time zones
- Proficient in Zoom, Slack, Microsoft Teams

EDUCATION & LANGUAGES

National Senior Certificate – Treverton
English (fluent, C2 certified)
