Your website quote

One website built around how Bright Spark Electrical actually works: three vans, four suburbs, and homeowner, commercial and solar jobs. Fixed prices, quoted before you pay.

Item	What you get	Price
Dominate website package	A bespoke build with all 5 audience pages, a page for each of your 4 suburbs (Randburg, Fourways, Northcliff, Bryanston), pricing tables including solar and inverter packages, an itemised quote builder, an unlimited categorised gallery, WhatsApp booking and local SEO.	R19,500
Logo design	A new logo to replace your current one. Yours outright once paid in full.	R1,500
Vehicle wrap design	One design applied to all 3 vans, print-ready for your wrap supplier. Yours outright once paid in full.	R3,500

Also included in the Dominate package, at no extra cost

- 12 months hosting
- 2 months of post-launch tweaks
- Priority support
- 1 brochure, we suggest Commercial (R1,500 value)

Timeline

Your deadline is the end of October. Once the deposit and content arrive, the standard build takes 5 days, so this fits comfortably.

What we need from you

- Your rate card, including solar and inverter prices
- Licence and insurance details
- About 40 project photos
- Your current logo, for reference
- WhatsApp number and email

Terms

- You own your content. Your site is licensed to you while you're a client, with 30 days to move if you leave
- Logo and van design are yours outright once paid in full
- Not included: online shops, app development, email campaigns, video
- Anything else is quoted separately before we start
